Dear Ms. Smith,

I am pleased to inform you that Natural Resources Canada (NRCan) has completed the review of OMNI-Test Laboratories Inc.'s submission of their energy performance verification program.

We have carefully reviewed the documents you submitted and as a result, NRCan is satisfied that OMNI-Test Laboratories Inc. have fulfilled the criteria set out in NRCan's Energy Performance Verification Program document. We are pleased to recognize OMNI-Test Laboratories Inc. as an administrator of an energy performance verification program for gas fired appliances.

As such, OMNI-Test Laboratories Inc. is required comply with the reporting requirements, as stipulated in Section VII of NRCan's *Criteria for Equipment Energy Performance Verification Programs* document.

Should you have any questions or require additional information, please contact Kelly-Ann Chisholm via e-mail at [kchishol@nrcan.gc.ca](mailto:kchishol@nrcan.gc.ca) or by telephone at (613) 947-7352.

We look forward to working with OMNI-Test Laboratories Inc. in the future.

Sincerely,

John Cockburn
